

# Fibre optic termination point

## 2LINE Zelos BOX

The 2LINE Zelos BOX is an optical subscriber connection box for terminating the optical fibre in the home.

All features and functions required for a professional FTTH installation are contained in a small, compact housing.

Technical data	
<b>Dimensions HxWxD [mm]</b>	300x194x64
<b>Weight</b>	0,96 kg
<b>Material</b>	PC / ABS UL94 V0
<b>Colour</b>	RAL 9003
<b>Closure</b>	Self-locking, Torx screw, lead-sealable
<b>Splice protection holder</b>	2x 12x crimp or 2x 6x shrink
<b>Coupling field</b>	12x LC duplex, 12x SC, 12x E2000/LSH, 2LINE ZAF
<b>Temperature range</b>	-40° Celsius up to +80° Celsius
<b>Protection class</b>	IP20 (for external couplings) IP54 (for internal couplings)
<b>Impact resistance level</b>	IK07

### Areas of application

- As AP (termination point) in single- and multi-family houses
- As a transfer point in the business customer sector

## Advantages

- Installation space for 12 couplings
- Exchangeable splice holder for storing shrink or crimp splice protectors
- Guided cable entry from below with sealing and integrated or additional cable strain relief

## Scope of delivery

- 1 pc. 2LINE Zelos BOX
- 2 pcs. splice holders á 12x crimp or 6x shrink
- 1 pc. M20 cable gland (Ø7-13mm)
- 1 pc. cable tie
- 2 pcs. M4x10 locking screw Torx
- 12 pcs. blind cover
- 1 pc. assembly instructions
- 1 set of wall fixings (universal plugs and screws)
- Included couplings and pigtails (yellow) according to customer requirements

## Optional accessories

- Couplings and pigtails (yellow)
- Strain relief element 2LINE ZAF
- Lock
